

JAI STEEL INDUSTRIES

AN ISO 9001:2015 Certified Company

Quality at
EVERY STEP.

THE COMPLETE
SOLUTION OF
YOUR
FASTENERS
REQUIREMENTS

Manufacturer & Exporter of:-
All Type of Bolts, Nuts, Washers
as per DIN, ASTM, BS, ANSI, IS, etc.

Deliver Reliable **Products**
with Trust &
COMMITMENT

CORPORATE PROFILE

We're thriving and
building better products

We, Jai Steel Industries have gained immense reputation in manufacturing domain and are acknowledged for quality products, commitment and timely delivery. Our advanced infrastructure is equipped with all the facilities for manufacturing of superior quality of **Hex Nuts, Hex Bolts, Lock Nuts, Weld Nuts, Guard Rail Bolts, Carriage Bolts, Flange Bolts, Threaded Rods, Studs, High Tensile Fasteners, Washers, CNC Turned Components** and customized products as per clients drawings.

We have a team of competent professionals who contribute their full commitment and efforts to keep the company growing and serving clients in the best possible manner. Our team of research and development personnel is involved in the development of several innovative products. Furthermore, the infrastructure is well equipped with advanced machinery and is made in such a way that facilitates easy production. We are a client-centric organization, which emphasizes on satisfying customer in all the possible ways. Under the able guidance of our mentor, **Mr. Vinay Jain**, we have carved a niche for ourselves in this industry. With our ethical business policies and transparent dealings, we have established ourselves as a successful organization.

Industries we serve: Automobile Industry, Solar & EPC Industry, Bicycle Industry, Agricultural Industry, Hardware & Construction Sector, Infrastructure Companies, Heavy Duty Structure, Oil & Gas Industries, Etc.

Mission

- Preferred Supplier to top Global OEMs
- Delivering operational excellence through continuous technological up-gradation.
- Continual growth through customer service, innovation, quality and commitment.
- Committed to Green Environment.
- To be the organization of choice & a great place to work.

Vision

To be counted amongst the most respected and preferred enterprises globally.

Values

The company provides clean, congenial and commensurate work environment to its employees thereby keeping the work force motivated and self driven to provide their best to the company and our customers.

Why Choose Us?

Owing to our professional and ethical business approach, we have been able to gain a reputable position in this industry.

Some of the salient features that give us a competitive edge over others are as follows:

- Use of quality raw materials
- Expert team of professionals
- Competitive cost
- Large production capacity
- Consistent quality

Worldwide Shipping

Further the splendid planning & constant innovation in our approach has also enabled our team to deliver outstanding end products. Our products have gained the trust of a large number of both domestic and global clientele.

Research & Development

Our innovations in products pass through rigorous scientific processes. Our facility boasts of Multiple R & D sections that are equipped with the best brains in the industry and latest equipment for developing and testing.

Focus

Jai Steel Industries is constantly looking to gain visibility in the market as a quality company, exceeding customer expectations, providing excellent quality and being recognized as the most successful company in the steel industry working efficiently and effectively.

Trust us to Fasten Better

We manufacture and export your worldwide demand of quality fasteners.

Quality Accreditations

AN ISO 9001 : 2015 Certified Company

Jai Steel Industries stands for total customer satisfaction through best quality, timely delivery, and reasonable price and is committed to continually improve in its quality management system. And we can proudly state that so far we have been successful in building up our reputation on the Quality attribute of the product more than anything else. For us Quality comes first.

The consistency of reliability and quality of products, process, services, manpower, machinery and testing equipment's has been the vital ingredient for the success of our company. Product quality is assured through strict adherence to established quality system as per International Standards. Modern sampling techniques are adopted to check conformity to critical parameters set.

The company also provides clean, congenial and commensurate work environment to its employees thereby keeping the work force motivated and self-driven to provide their best to the company and our customers.

Trade Mark Certification

Import Export Certification

Product Testing & Inspection

In house testing facilities

Jai Steel Industries is well equipped with most modern Laboratory, Tool Room, Hi-Tech Instruments and specialized Technical Managers for maintaining the best quality standards, right from raw material to finished product.

Quality Testing being done by our experts on our Fasteners Products. We are committed to quality checks at critical steps in the manufacturing process. Using modern equipment and procedures, including spectrometer, UTM machine, hardness testing, microscopic examination and dimensional checks, we insure that the most exacting specifications will be met.

Infrastructure

In house manufacturing facilities & testing equipments

We have some most contemporary infrastructural facilities that help to manufacture wide array of products. We have an excellent inventory and we can deliver both small and bulk orders of goods at a short span of time. The space that we cover for our use is the biggest asset we have. Moreover, we have sophisticated machinery set up and we can manufacture customized goods readily as specified by our customers. Our infrastructure is segregated into different departments like: **Production unit, In-house design unit, Sales and marketing unit, Administrative unit, Quality control unit, Etc.**

QUALITY
High Tensile Fasteners

OUR PRODUCT & MANUFACTURING RANGE

Bolts & Screws

Range:

M5 to M24 & 3/16" to 1"

Length:

16mm to 300mm & 5/8" to 12"

Threads:

MM, BSW, BSF, UNC, UNF, UN, NC

Grades / Raw Material:

4.6, 4.8, 5.6, 5.8, 8.8, 10.9, 12.9, B7, B7M

Other grades also available as per customer requirement

Bolts & Screws as per DIN 931 / DIN 933 / DIN 960 / DIN 961 / DIN 7990 / DIN 603 / DIN 604 / DIN 605 / DIN 607 / DIN 608 / DIN 610 / DIN 6914 / DIN 6915 / BS 1083 / BS 1738 / BS 1769 / ASTM A - 307 / ASTM A - 325M / ASTM A - 490M / IS 3757 / IS 6639 / ISO 7412 / IS 1363 / IS 1364 / IS 2585 / IS 3138 / IS 3640 / IS 10238

OUR PRODUCT & MANUFACTURING RANGE

High Tensile Bolts & Screws

HSFG Bolts

Hex Bolts & Screws

Flange Bolts

Transmission Bolts

Button Head Bolts

Carriage Bolts

Guard Rail Bolts

Nib Bolts

Structural Bolts

Knurled Bolts

Square Head Bolts

Anti Theft Bolts

Socket Head Cap Screw

Foundation Bolts

J Bolts

Finish Available:

Self Finish, Electro Zinc Plated, Yellow Finish, Auto Black Finish, Hot Dip Galvanized (HDG), Etc.

OUR PRODUCT & MANUFACTURING RANGE

Nuts

Diameters:

M5 to M24 & 3/16" to 1"

Nuts as per DIN 934 / DIN 555 / DIN 6915 / IS 1363 / IS 3138 / IS 4032 / IS 4034 / IS 1364 / BS 1083 / BS 1768 / ASTM A-194 / ASTM A-563

Grades / Raw Material:

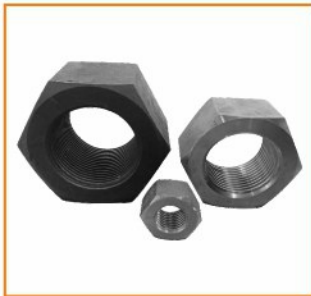

4, 6, 7, 8, 10, 12, 2H, 2HM

Other grades also available as per customer requirement

OUR PRODUCT & MANUFACTURING RANGE

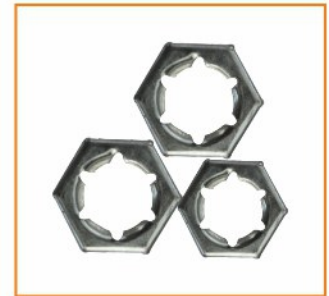

2H Heavy Hex Nut

Flange Nuts

Lock Nuts

Pal Nuts

HSFG Nuts

Long Nuts

Nylock Nuts

Anti Theft Nuts

Dome Nuts

Hex Nuts

Square Nuts

Weld Nuts

Castle Nuts

Rectangular Nuts

Spring Nuts

High Tensile Hex Nuts

Finish Available:

Self Finish, Electro Zinc Plated, Yellow Finish, Auto Black Finish, Hot Dip Galvanized (HDG), Etc.

QUALITY
Machining Components

OUR PRODUCT & MANUFACTURING RANGE

CNC Components

we have gained enormous experience in manufacturing, supplying and exporting CNC machining of components. Our fair and transparent dealing has helped us to increase the base of our clients. While manufacturing our products, we emphasize on its quality and check them on a regular basis. Reason behind our success:

- Customized products
- On time delivery
- Qualitative range
- Reasonable price

Our imported CNC Turning Centre provide a wide range of CNC precision machining, and clients can expect turned components of the highest quality. Here is a list of some of the precision turned parts that are produced here at Jai Steel Industries: Sleeves, Bushes, Housings, Adaptors, Pipe fittings, Couplings, Screws, Stainless Steel Components, threading, Acme Threads, Tapered Threads, Flanges, Etc.

Precision
is our
