

JAI STEEL INDUSTRIES

AN ISO 9001:2015 Certified Company

**COMPLETE FASTENING SOLUTIONS WITH
PRECISION, PERFORMANCE & GLOBAL QUALITY.**

Manufacturer & Exporter of:

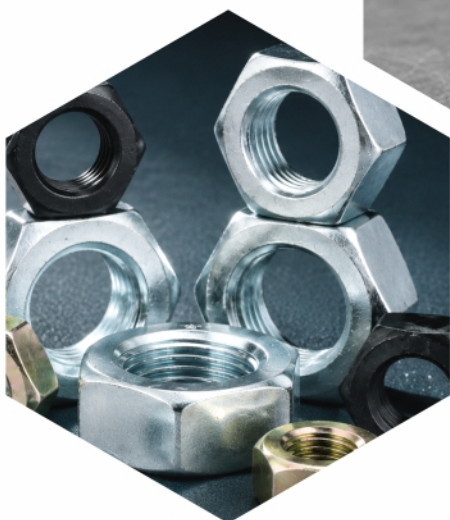

All type of Fasteners (Bolts, Nuts & Washers), Stainless Steel Fasteners,
Threaded Rods & Studs, Etc.

India's Leading

Fasteners

Manufacturing Company

SINCE 1999

LASTING LEGACY

History of JAI STEEL INDUSTRIES

Building strong relationships begins with earning the trust and respect of the customers. At **Jai Steel Industries**, this respect has been achieved through an unwavering, long-term commitment to quality.

Our dedication to excellence has enabled us to consistently deliver high-quality fasteners on time and at competitive prices. This journey does not end here. We continuously strive to innovate, improve our processes, and deliver superior products to our valued customers—while maintaining the highest ethical standards in our pursuit of excellence.

For over 27 years, we have consistently met the evolving demands of the industry by manufacturing world-class, reliable, and cost-effective products. Built on decades of expertise and driven by innovation, **Jai Steel Industries** stands strong with a commitment to quality, resilience, and future-ready solutions.

Established in 1999 in Ludhiana, Punjab, **Jai Steel Industries** has earned a strong reputation as a trusted manufacturer of high-quality fasteners under the **brand name "JAI."** With years of experience, commitment to quality, and timely delivery, we have become a well-recognized name in the fastener manufacturing industry.

Our advanced infrastructure is equipped with modern machinery and production facilities, enabling us to manufacture a wide range of products including **Hex Nuts, Lock Nuts, Weld Nuts, Flange Nuts, Square Nuts, Rectangle Nuts, Taper Nuts, Hex Bolts, Allen key Bolts, Flange Bolts, High Tensile Fasteners, Stainless Steel Fasteners, Washers, and customized fasteners** as per client drawings and requirements.

At Jai Steel Industries, we focus on precision, strength, durability, and consistent quality. Our skilled team of professionals works with dedication to ensure smooth production, strict quality control, and customer satisfaction. Our research and development team continuously works on product improvement and innovation to meet changing industry needs.

Vision

To become a trusted and recognized name in the fastener industry by continuously improving quality, technology, and customer service.

Mission

To manufacture high-quality fasteners with precision, strength, and reliability, delivering products that meet industrial standards and customer expectations.

Values

Quality, trust, precision, timely delivery, and customer satisfaction are the core values that drive Jai Steel Industries toward excellence.

Why Choose Us?

Through our years of experience, we promise the quality of our products, the best price, the best choice, enthusiasm, product knowledge and understanding specific needs of our customers. Besides this, our fair dealing, ethical business practices and easy payment modes make us the first choice of the clients.

-  An ISO Certified Company
-  Customer Support
-  Innovative Technology
-  Expert Professionals
-  Quality Raw Material
-  Timely Delivery

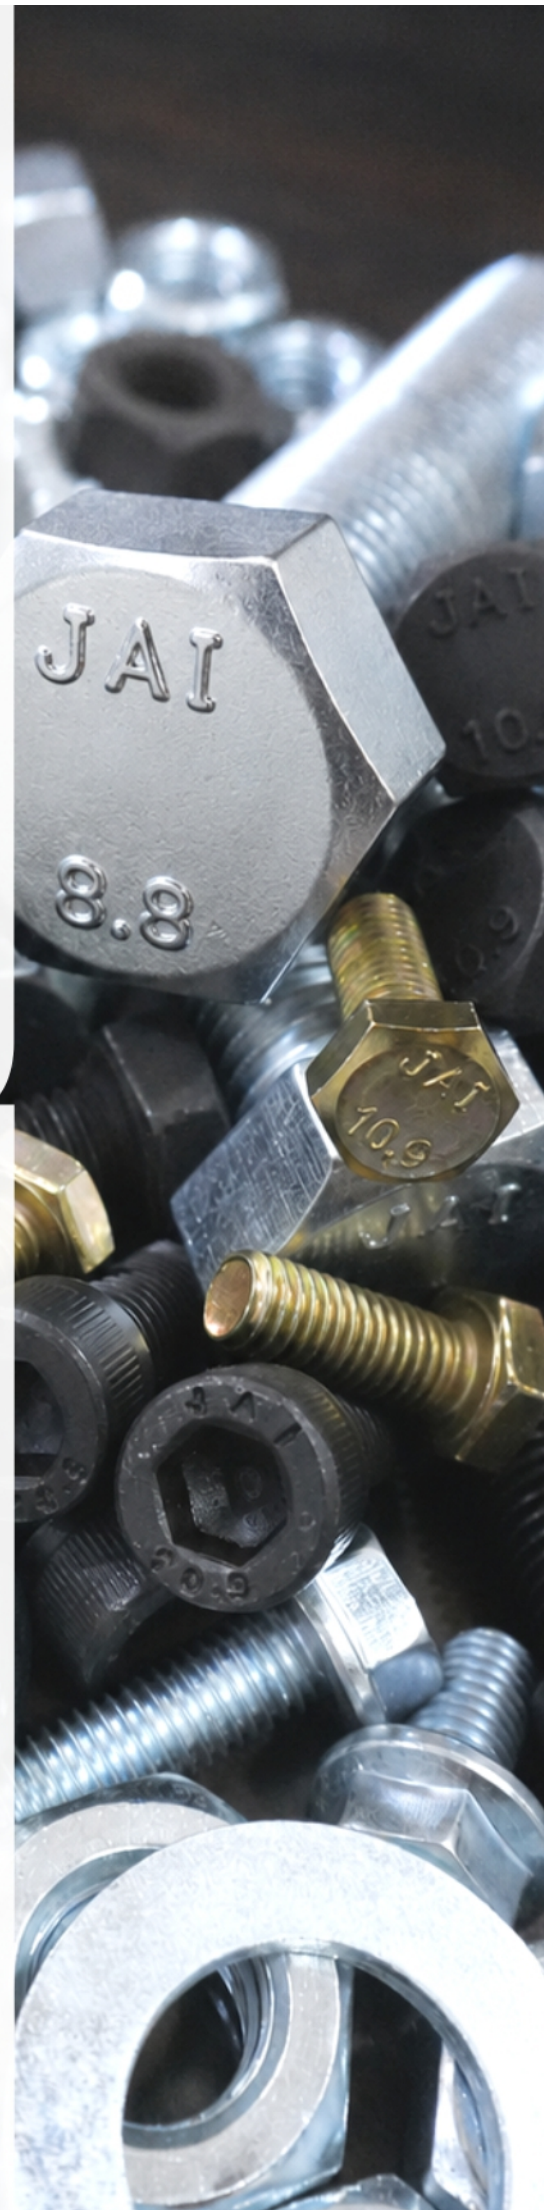

Quality Assurance

At Jai Steel Industries, quality comes first. As an **ISO 9001:2015** certified company, we are committed to total customer satisfaction through superior quality, timely delivery, reasonable pricing, and continuous improvement in our quality management system.

Our products are manufactured under strict quality control procedures to ensure strength, precision, durability, and consistent performance. Every fastener is carefully inspected from raw material selection to the final finished product, ensuring it meets required specifications and international standards.

We are well equipped with a modern laboratory, tool room, hi-tech instruments, and experienced technical managers who maintain quality at every stage of production. Our testing process includes spectrometer testing, UTM machine testing, hardness testing, microscopic examination, and dimensional checks.

Every JAI fastener is carefully tested under expert supervision to ensure reliable performance, consistent quality, and long-lasting trust.

Infrastructure & Facilities

Jai Steel Industries is equipped with modern infrastructure and advanced manufacturing facilities to produce a wide range of high-quality fasteners. Our facility is designed to support smooth production, precision manufacturing, and timely delivery of both standard and customized products.

The infrastructure is divided into specialized departments including Production Unit, In-house Design Unit, Tool Room, Quality Control Unit, Sales & Marketing Unit, Administrative Unit, Packing, and Dispatch Department. Each department works with proper coordination to ensure consistent quality and customer satisfaction.

Bolts & Screws

Range:

M6 to M36 & 1/4" to 1-1/2"

Length:

12mm to 300mm & 1/2" to 12"

Threads:

MM, BSW, BSF, UNC, UNF

Grades / Raw Material:

4.6, 4.8, 5.6, 5.8, 8.8, 10.9, 12.9, B7, B7M, SS 304, SS 202 or

Other grades also available as per customer requirement

Standards:

Bolts & Screws as per DIN 931 / DIN 933 / DIN 960 / DIN 961 / DIN 912 / DIN 6929 / DIN 7990 / DIN 603 / DIN 608 / DIN 6914 / DIN 6915 / BS 1083 / BS 1769 / ASTM A - 307 / ASTM A - 325M / ASTM A - 490M / IS 3757 / IS 6639 / ISO 7412 / IS 1363 / IS 1364 / IS 2585 / IS 3138 / IS 3640 / IS 10238 / IS 15582

Finish Available:

Self Finish, Electro Zinc Plated, Yellow Finish, Auto Black Finish, Zinc Flake, Hot Dip Galvanized (HDG), Etc.

OUR PRODUCT RANGE

High Tensile Hex Bolts

Full Thread Hex Bolts

Half Thread Hex Bolts

Allen Key Bolts

Flange Bolts with Serration

Flange Bolts

Carriage Bolts

Structural Bolts

Guard Rail Bolts

HSFG Bolts

Foundation Bolts with Plate

Foundation Bolts

BOLTS & SCREWS

Nuts

Diameters:

M6 to M36 & 1/4" to 1-1/2"

Grades / Raw Material:

4, 6, 7, 8, 10, 12, 2H, 2HM, SS 304, SS 202

Other grades also available as per customer requirement

Standards:

Nuts as per DIN 934 / DIN 555 / DIN 6915 / DIN 6923 / IS 1363 / IS 4032 / IS 4034 / IS 1364 / BS 1083 / ASTM A - 194 / ASTM A- 563 / IS 15581

Finish Available:

Self Finish, Electro Zinc Plated, Yellow Finish, Auto Black Finish, Zinc Flake Hot Dip Galvanized (HDG), Etc.

OUR PRODUCT RANGE

NUTS

Hex Nuts

Hex Lock Nuts

HSFG Nuts

Dome Nuts

High Tensile Nuts

Flange Nuts

Nylock Nuts

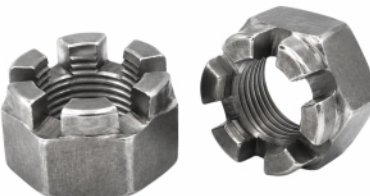

Long Nuts

2H Nuts

Hex/Square Weld Nuts

Castle Nuts

Square Nuts

OUR PRODUCT RANGE

Washers

Diameters:

M6 to M36 & 1/4" to 1-1/2"

Grades / Raw Material:

100 HV, 140 HV, 200 HV, 350 HV, 400 HV,
Spring Steel C-62, SS 304, SS 202 & Other grades
as per customer requirement.

Standards:

DIN 125 / DIN 127 / IS 2016 / IS 3063

Finish Available:

Self Finish, Electro Zinc Plated,
Yellow Finish, Zinc Flake, Auto Black Finish,
Hot Dip Galvanized (HDG), Etc.

Plain Washers

Spring Washers

HSFG Washers

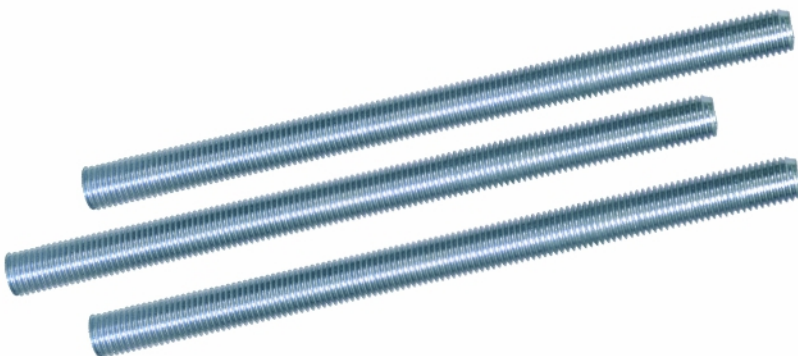

DTI Washers

High Tensile Washers

THREADED RODS & STUDS

Diameters: M6 to M24 & 1/4" to 1"

Length: 50mm to 3000mm

Standards: ASTM A-193, DIN 975/976

Finish: Self Finish, Electro Zinc Plated,
Yellow Finish, Hot Dip Galvanized (HDG),
Auto Black Finish, Zinc Flake, Etc.

OUR PRODUCT RANGE

Manufacturers of Premium Stainless Steel Fasteners

Hex Bolts, Allen Key Bolts, Flange Bolts, Nuts & Washers in SS 304, SS 202 Grades engineered for strength, durability and corrosion resistance.

STAINLESS STEEL FASTENERS

SS Allen Key Bolts

SS Flange Bolts

SS Hex Bolts

SS Hex Nuts

SS Flange Nuts

SS Washers

INDUSTRIES WE SERVE

Agriculture Industries

Transmission Towers

Solar Industries

Construction Industries

Oil & Gas Heavy Industries
